I support Uber in Charleston, SC. I am a relocation director for a large real estate firm and a large number of incoming clients always ask if we have Uber in our area. We are growing so quickly and the #1 city to visit in the US we want to continue to show the rest of the world that we are not the antiquated "good ol boys" they think we are and have our foot moving in the right direction.

Thank you for your time,

Trinity Martinez
